

# CLUB DEVELOPMENT FORUMS

## 2020/2021

### A NEW APPROACH

Club Development Forums are an annual event for all Districts that provide training and resourcing to the management and leadership of our Clubs. This year we are taking a new approach. Through the MD Leadership we have a standardized set of presentation modules to be consistent across all Districts in Australia. These modules include:

- District Governor's theme and goals
- Building stronger clubs
- Excellence through leadership for Club Presidents
- Effective Club Administration for Club Secretary's & Club Administrators
- Managing Club finances for Club Treasurers
- New member workshop
- Selling our Club using effective PR & Social media

These forums are open to all members to attend with specific information for the key club positions for the 2020/2021 year. If you are new in a leadership role for your Club there is much you can learn from attendance at a Forum. If you have held a position for sometime, then these Forums will bring you up to speed and provide an opportunity to share your knowledge with those new in their role. **ALL CLUB OFFICERS ARE EXPECTED TO ATTEND.** All Lions are welcome to attend. To learn more about leading your Club, a Club Development Forum is for you!

It is much more than just covering off the various positions, there is much that all Lions can learn.
